We notice that the sidewalk between Carter's Every stable and the depot has been repaired. Now if several loads of gravel were dumped in several spots along the sidewalk near the centre of town, citizens and others would feel very much gratified, we're sure.

NOTICE TO ROAD OVERSEERS.—The County Court of Iron county meets on the 1st Monday in March, 1881, at which time the Road Overseers are expected to make their annual settlement.

By order of the Court. G. B. NALL, Clerk.

PERSONAL.—Mrs. Eliza Schults left Sunday for St. Louis.

Mrs. G. G. Fairchild returned Friday last from her visit to Fredericktown.

Mr. A. Reeb left for the "Future Great," Sunday, on business.

Miss Mamie Pilley, of Iron Mountain, was in town Monday.

Mrs. S. Lopez has returned from St. Louis.

Mr. G. M. Palmer, traveling salesman for the Missouri Medicine Co., starts out-to-day on his first trip for that firm.

The Missouri Medicine Company have been busily employed the past few days. Up to Saturday night, the following is the amount of goods manufactured by this company:

Bottled goods, 3,686; Seidlitz powders, 1,909; Pills, 40,501; Troches, 18,640; H. and C. Powders, 288 pounds; Worm Candy, 144 boxes; Camphor Loos, 36 boxes; and Salves, 144 boxes.

The members of this company are all live, energetic business men, and we bespeak for them a large trade and unlimited success.

Some of the young lady pupils of our public school have the idea that they are destined to fame and riches as "authoresses." At least four of them are now at work on as many thrilling and interesting "novels." Of course the several "heroines" have exquisite mountings, and lovely eyes and curling hair, while the "heroines" have that peculiar rarity, (except in novels) shining hair, which, when the sun is favored with a glimpse of, would put "molten gold" to shame. One of them wrote a "love story" on her slate the other day and while passing it to a friend for inspection and perusal, was caught in the act by Mr. Gerson, the teacher, who called for it. He gave the scholars a well merited admonition, advising them to write on subjects more terrestrial thereafter, or none.

The following State Senators on the question of the enforcement of the whipping post bill voted as follows: They should be relegated to obscurity as the friends of barbarism.

Brady, Byrne, Bland, Coty, De Armond, Edwards (Lat.), McGrath, Mackay, Manning, Peble, and Rouse. The vote stands 11 to 30, so the relic of the dark age is defeated and Missouri takes her stand on the side of civilization and progress.

The passage of this barbarous act would have turned thousands of of immigrants from Missouri during the coming summer. [De Soto Messenger.]

The whipping-post may be a relic of the "barbarous" ages, but if the provisions of the bill referred to were comprehensive enough to take in murderers of the king's English we would undoubtedly favor it, notwithstanding we have the very friendliest feeling personally toward our brother of the Messenger. An editor who spells it "engroement" ought to be salted and peppered!

We give the following, handed us by a friend, as relics of the "late unpleasantness." The "Missouri Medicine Company" would cut a poor figure under such military rules and regulations, and dealers in King Cotton would have to get a special permit every time an old woman wanted to purchase enough of his Majesty to fill in a comfort:

Grantville Items.

Ed. Register—

On last Thursday the Granite Quarry opened in full blast, with all hands at work, after having lain idle for six weeks on account of the severe cold weather. Every thing at this time is running smoothly, and just as soon as the weather settles to a moderate degree the management will increase the number of workmen.

The Social Club of Grantville extends a general invitation to all to attend the first Calico Ball of the season, at the Workman's Hall, on Feb. 18th.

It is rumored, and I suppose with good foundation, that the workmen at Grantville will organize a branch Lodge of Irish Land Leaguers. XXX.

Dangerous Roads.

Ed. Register—

What has heretofore been one of the best bits of road in the county—between the city limits and St. Louis Creek—is fast becoming a wreck for want of a little timely attention. The creek coming out of the Fletcher field just south of Markham's fence, infiltrates upon the side of the road nearly opposite Mr. Speck's, and has abraded the bank until the cut now extends one-third across the road, and is rapidly working ruin. It ought to have been properly rip-rapped a year or two ago. A dozen loads of stones then would have saved fifty now. Left as it is, it will cost the county hundreds of dollars in another year. Where has Judge Russell been all this time! The foot bridges over the creek, too, has been dangerous all winter. It is a wonder some of the school children have not lost their lives been crippled in crossing it. Planks are off.

JOHN SMITH.

A Happy Man at Lockport, N. Y.

E. J. Williamson, of this place, is rejoicing over the recovery of his wife, who has been an invalid for the past four years. She has regained her strength, her complexion is vastly improved, and she has walked more in the past month and is stronger and better than she has been in years. He attributes these happy results to Dr. J. Kidney Pills. Who can deny the superior healing and curative powers of the Day Kidney Pills that have given it a fair and impartial trial!
